At a meeting of the Rabbinate with the Board of Trustees, the Board of Kashrus and representatives of the Board of Advisors it was decided, for reasons of Kashrus, to change the wholesaler beginning November 5, 1973.

The new wholesaler will be Printz Meats, Inc. of 1316 Utica Avenue, Brooklyn, N.Y. In case you would like more information kindly refer to the Rabbinate of our Congregation.

As this change is of utmost importance we kindly ask all our butchers to cooperate and work with us to make it successful and beneficial both for themselves and for our congregation.
